I'm walkin' on broken eggshells  
Tryin' to make some sense of this  
Tryin' to save face with false appearances

I started with next to nothin'  
And you're diggin' me a shallow grave  
Tryin' to put a face on what's holding me back today

I'm sayin'  
Ready for the world to stop  
Takin' everything I got  
Everybody's had enough  
So stop the world 'cause I want off

Takin' everything I own  
Sinkin' to an all-time low  
Ready 'cause it's time to go  
So stop the world 'cause I want off

I'm cookin' up a resurrection  
I'll serve it to you on a silver plate  
You don't want a taste of the fantasies that I create

An' I'm walkin' on broken eggshells  
Tryin' to make some sense of this  
Tryin' to save face with false appearances

I'm sayin'  
Ready for the world to stop  
Takin' everything I got  
Everybody's had enough  
So stop the world 'cause I want off

Takin' everything I own  
Sinkin' to an all-time low  
Ready 'cause it's time to go  
So stop the world and let's go home

I'm cookin' up a resurrection  
Serve it to you on a silver plate  
You don't want a taste of the fantasies that I create

Ready for the world to stop  
Takin' everything I got  
Everybody's had enough  
So stop the world 'cause I want off

Takin' everything I own  
Sinkin' to an all-time low  
Ready 'cause it's time to go  
So stop the world 'cause I want off

I want off  
I want off  
I want to stop the world 'cause I want off
