

## Riddlin' Kids "Take"

Visit "[Take](#)" on MotoLyrics.com

Think about the youth  
Never knowing what's in store  
Never knowing what they're gonna see  
Always needing proof  
Innocence is hard to keep  
Trust is just a faded memory

What do you need to see?  
Think about you all the time  
Wondering if you're doing fine  
I hope that I can keep  
A hold of you just one more day  
I don't know what I would do without

What do you want from me?  
What do you want from me?  
Every time you go  
I can't help but hate you so

I don't know what you  
Expected from me all those nights  
I just wanted us to be happy  
I guess it's my fault to  
The hatred has grown way to much  
Love is just a faded memory

Why do you got to be  
Angry at me all the time?  
Everything was going fine  
One day you will see  
You'll regret the things you said  
I know I regret the day we met

What do you want from me?  
What do you want from me?  
Every time you go  
I can't help but hate you so

What do you want from me?  
What do you want from me?  
Every time you go  
I can't help but hate you so

Take just what you want from me  
Take just what you want from me  
Take just what you want from me  
Take just what you want from me

What do you want from me?  
What do you want from me?  
Every time you go  
I can't help but hate you so

What do you want from me?  
What do you want from me?
