You walk into this place  
The light shines on you're face, and I wish you were  
mine  
There used to be a time  
You aim a smile at me  
I can't even speak  
I'm too scared to try, just a waste of time

Just a waste of time

Tina, you just act like you don't know the way I feel  
You call me back each night to reinsure my dream is  
real  
How long do you plan to keep on stringing me along?  
I'm realizing I was wrong and you're just a waste of  
time

Just a waste of time  
Just a waste of time  
Look at what you've done to me  
Tina!

All my friends are warning me, but I'm just way to blind  
to see  
I've just got to disagree  
I don't claim to know the way, but I'll snap out of it some  
day  
I don't claim to know the way

I don't have the time to sit and wait, to sit and wait  
I don't have the time  
I'm losing my sanity

Look at what you've done to me  
Tina!

All my friends are warning me, but I'm just way to blind  
to see  
I've just got to disagree  
I don't claim to know the way, but I'll snap out of it some  
day  
I don't claim to know the way

All my friends are warning me, but I'm just way to blind  
to see  
I've just got to disagree  
I don't claim to know the way, but I'll snap out of it some  
day  
I don't claim to know the way
