Gunes as?p gitti yine
Hic gormedigim daglarda
Gece ag?r ag?r indi
Su koskoca kente

Bir ben kald?m yaln?z caresiz
Bir de boyac? esmer cocuklar
Don gulum yine gel gulum
Dayanmaz art?k hasretine bu omrum

Urettik yeserttik
Sonunda ayr? dustuk
Ayr? derelerde
Ak?yor simdi hayat

Bir ben kald?m yaln?z caresiz
Bir de boyac? esmer cocuklar
Don gulum yine gel gulum
Dayanmaz art?k hasretine bu omrum

Anlat?lmaz, bir sevdayd? s?z?s? ta icimde
It cannot be explained: his dull ache was a love deep in me

Hangi sozcuge s?gar ki siiri yuregimde
Which word can his verse in my heart fit?

(she is asking and at the same time is giving negative answer. So his verse in her heart cannot fit any word)

Cozulmez ki, bu bir kordugum
Ugruna her gece
Sabaha dek oldugum

Don gulum yine gel gulum
Dayanmaz art?k hasretine bu omrum
