Hey boy what are thinking do you really think it's
working out you say you don't like her dosent seem
that way know you say she's not your type just having
fun for a time but you know when you say you want me
I'm not into boys like that don't yu know when you say
you need me you don't even know who I am who I am
well

(Chorus)

I'm the kinda girl you take to your mommas house the
one you tell your dad all about I'm the girl you take on
family trips I'm the one that your grandma wants to sit
with I'm not that one that's stands out I am forever all
alive I'm the girl next door

Hey boy haven't you learnd that a good girls somthing
earn you say you know it now I'd like to see it somehow
you say just let me show you cuase I really love you
now you know I've waited so long for you to change my
mind and now words are just so strong you say I'm just
that right kind kind of girl

(Chorus)

Who knew that you and I where right by all this time
and who knew that you and me would be each others
everything

(Chorus)

Girl next door
