Any time you're feeling lonely
Any time you're feeling blue
Any time you feel downhearted
That will prove your love for me is true

Any time you're thinking about me
That's the time I'll think of you
Any time you say, you want me back again
That is the time I'll come back home to you

Any time you're feeling lonely
Any time you're feeling blue
Any time you feel downhearted
That will prove your love for me is true

Any time will be the right time
Any time that all will do
Any time, you say you want me back again
That is the time I'll come back home to you
Yes, that's the time I'll come back home to you
