I'm a roaming cowboy riding all day long
Tumbleweeds around me hear my lonely song
Nights underneath the prairie moon
I ride along and sing a tune

See them tumbling down
Pledging their love to the ground
Lonely but free I'll be found
Drifting along with the tumbling tumbleweeds

Cares of the past are behind
Nowhere to go but I'll find
Just where the trail will wind
Drifting along with the tumbling tumbleweeds

Oh I know when night has gone that a new world's born
at dawn
I'll keep rolling along deep in my heart is a song
Here on the range I belong
Drifting along with the tumbling tumbleweeds

Oh I know when night has gone that a new world's born
at dawn
I'll keep rolling along deep in my heart is a song
Here on the range I belong
Drifting along with the tumbling tumbleweeds
Drifting along with the tumbling tumbleweeds
