You are my sunshine, my only sunshine  
You make me happy when skies are gray  
You'll never know dear, how much I love you  
Please don't take my sunshine away

The other night dear, as I lay sleeping  
I dreamed I held you in my arms  
When I awoke dear, I was mistaken  
And I hung my head and cried

You are my sunshine, my only sunshine  
You make me happy when skies are gray  
You'll never know dear, how much I love you  
Please don't take my sunshine away

I'll always love you and make you happy  
If you will only stay the same  
But if you leave me to love another  
You'll regret it all some day

You are my sunshine, my only sunshine  
You make me happy when skies are gray  
You'll never know dear, how much I love you  
Please don't take my sunshine away

You told me once dear, you really loved me  
And no one else could come between  
But now you've left me to love another  
You have shattered all of my dreams

You are my sunshine, my only sunshine  
You make me happy when skies are gray  
You'll never know dear, how much I love you  
Please don't take my sunshine away

Please don't take my sunshine away
