When I was young  
I played for fun  
Made up the words  
Nobody heard  
But now I see  
All eyes on me  
And suddenly  
I'm in a dream

I got a feeling now  
Everything's right somehow

Here I am  
Being who I want  
Giving what I got  
Never a doubt now  
Here I go  
Burning like a spark  
Light up the dark again  
I wake up in the morning light  
The Duchess says "when you  
Gonna live your life right  
I know she thinks that I'm  
The fortunate one but  
Princesses wanna have fun  
Oh, princesses wanna have

That's all we really want  
Is some fun  
When the royal day is done  
Princesses wanna have fun  
Oh, princesses wanna have fun

I'm stepping up  
Right to the top  
That's how I'm wired  
I take it higher  
I'm in control  
I broke the mould  
The girl you see  
Is up to me

I'm lifting off the ground  
Finding the perfect sound

Here I am  
Being who I want  
Giving what I got  
Never a doubt now  
Here I go  
Burning like a spark  
Light up the dark again  
Again  
Again  
Again  
Again and again and again

Princesses wanna have fun  
Oh, princesses wanna have fun

There's a star that's right inside you  
So come on and let it out  
Find out what you're about and just shout  
"Here I am"

Being who I want  
Giving what I got  
Never a doubt now  
Here I go  
Burning like a spark  
Light up the dark again

We just wanna  
We just wanna (yeah, yeah)  
We just wanna  
We just wanna (oh)

We just wanna (oh, oh)  
We just wanna (oh, oh)  
Princesses wanna have fun (again)

Here I am  
Being who I want (We just wanna)  
Giving what I got (We just wanna)  
Never a doubt now (We just wanna)  
Here I go (We just wanna)  
Burning like a spark (We just wanna)  
Light up the dark again (Princesses wanna have fun)

(Again) Again (We just wanna)  
(Again) Again (We just wanna)  
(Again) Again (We just wanna)

And again and again  
And again and again  
Here we go
