Love

It's a crazy make my heart go
Upsy daisy 'n make my blood flow
not so lazy 'cos I love you inside out

Time

Is a wastin' why d'ya hold out
so frustratin'cos you know that
You're lookin' amazinn' and I love you inside out

I love your eyes blue as the skies
I love you lips to your fingertips
I love your bones your old sticks and stones yeah
I love you inside out

Oh don't you believe me
Yeah, I know it's kinda creepy
Oh but oh you're lovin' it deeply
Admit it I did it you know you're gonna keep me

So

Say you love me like a hobo
Worn and grubby but you know though
No one above me and you love me inside out

Oh yeah yeah

So don't you believe me
Yeah I know it's kinda creepy
Oh but oh you're lovin' it deeply
Admit it I did it you know you're gonna keep me

Oh Say you love me like a hobo
Worn and grubby but you know though
No one above me and you love me inside out

I love your chin and the skin that you're in

I love your nails even your entrails
I love your soul even your little mole
Yeah, I love you inside out

I love your arms and your laugh aloud charms
I love your wits and all your wobbly bits
I love your lungs and your talking tongue
Yeah I love you inside out
Yeah
