Once upon a time I met you  
Didn't know it then but we would journey to a land so  
far  
Away  
Hadn't even said I do's yet  
Didn't quite know just what love meant.  
I packed my bags and I got on a plane

I was so scared to make my mind up  
But God said it was time for me to make my way in the  
World, this little girl

I found love in tennessee  
I learned that love is good for me  
I learned to love in tennessee.  
Nashville tennessee

Every night a different venue  
Every fight I knew I loved you more than I had the night  
Before

I was so scared to make my mind up  
But God said it was time for me to make my way in the  
World, this little girl

Chorus

He's perfect for me
