We're only 2cm away now, I'll be home again  
I'll be home again to a place that might have been  
Where people in the past times thought they were  
waterfalls around the edge of the sea  
Catch a drop of tear for me and tell me who you'd be

I touch your back, so wide and shaking  
Tell me why it's aching  
All the efforts that you're making are like the leaves  
awaking from the rain  
Come closer to me now, I wanna touch your face  
All the love can't be erased  
Come on and leave a trace  
And when I'm feeling powerless, I listen to the music  
they left by

Cause our love is deeper and believer of the sea  
Cause you're the waves of my ocean  
You're the waves of my ocean

Cause our love is deeper and believer of the sea  
Cause you're the waves of my ocean  
You're the waves of my ocean

So come and rock me  
So come and rock me
