I wanna go to a place where i can say
That i'm all right and i'm staying there with you
I wanna know if there could be anyway
That there's no fight, and i'm safe and sound with you

And every time i look, i thought you were there,
But it was just my imagination
I don't see it anymore cause i see thru you now

Ima demo kizukanai deshou kono shizukana sora ni
Itsu demo omoidasu kedo mou doko ni mo modorenai

Soshite zutto kokoro de samete sotto kizuite
Itsuka kitto yasashisa miete kuru youni

What's stopping me? i get stuck again
Is it really ok? it's never ok for me
What's got into me? i get lost again
Is it really ok? it's never going to be

Soshite motto sagashite mino mae ni kitsuite
Ashita wa kitto kazamu kimo kawaru youni
Kaze ga sotto sasayaku ugomiki no wa kono daichi
Mayowa nai de yasashisa mieteku youni

And every time i look, i thought you were there,
But it was just my imagination
I don't see it anymore cause i see thru you now

I wanna go to a place where i can say
That i'm all right and i'm staying there with you
