It was just the kind of thought I needed,
Couldn't give it up even for a laugh
And I would better be in need,
But I got it all wrong, I got it all wrong,
Until we talked, it's just the kind of thought they need

You were just the kind of guy I needed,
Couldn't give it up even for a drink
And I thought of other plans to seek,
But I got it wrong, I got it all wrong,
Until we talked

I wanna hear you scream my name dadada dadadada
Like a spell to get out of nowhere
Come up now like a bright pink fairy tale,
They don't fade away

And it's like dadada dadadada
Inside your eyes
Come up now like a bright pink fairy tale,
They don't fade away

Couldn't give it up even for a laugh
And I thought of other places to be,
Like Sri Lanka, London all the way to India,
Touch the golden ground of Istanbul
Everywhere with you

I wanna hear you scream my name dadada dadadada
Like a spell to get out of nowhere
Come up now like a bright pink fairy tale,
They don't fade away

And it's like dadada dadadada
Like a spell to get out of nowhere
Come up now like a bright pink fairy tale,
They don't fade away

It was just the kind of thought I needed,
Couldn't give it up even for a laugh
And I would better be in need,
So give it up, so they can see, they can see

Until you know, until you know

I wanna hear you scream my name dadada dadadada
Like a spell to get out of nowhere
Come up now like a bright pink fairy tale,
They don't fade away

And it's like dadada dadadada
Like a spell to get out of nowhere
Come up now like a bright pink fairy tale,
They don't fade away
