"Kiss U Goodbye"

Kinda getting messy, killing all the time
Lying down on messy floor, killing all the time
Kinda getting steep let it go or let it sleep
Gonna take it on spray it 'til it's dirty green
Why don't u kiss me goodbye
Until u run and u hide
U could just get it all together
I'm gonna kiss u goodbye
U wanna be the one to get off, when all that's left is a
one-way ticket right here
U wanna be the one to get it, not just spread it, don't let
it disappear

Know it's getting busy killing all the time
Got it from the radio, killing all the time
Recalling what he said dream of other people's lives
Underneath the head, there a hasty thief replies
Why don't u kiss me goodbye
Until u draw and u tie
U could just put it all together
I'm gonna kiss u goodbye
U wanna be the one to get off, when all that's left is a
one-way ticket right here
U wanna be the one to get it, not just spread it, don't let
it disappear

U could just put it all together
I'm gonna kiss u goodbye
I'm gonna kiss u goodbye
Until u draw and u tie
The consequence of what's committed, break it up or
let it,
But u won't let it kiss u goodbye
I'm gonna kiss u goodbye
Until u draw and u tie
The consequence of what's committed, break it up or
let it,
But don't let it kiss u goodbye

Kiss u goodbye
Until u run and u hide

Kiss u goodbye
I'm gonna kiss u goodbye
Kiss u goodbye
Get it all together
Kiss u goodbye
Until u run and u hide
