So touch me like a soft breeze, I never knew I could be  
so blessed

What I had dreamed of had swept through my cheek,  
and now it swept away once again

What if her life is on air every weekdays, from 10 to  
11:35

Would you care enough to watch it with a handful of  
popcorn in your hand?

Would it entertain you enough for the day?

Would you care enough to know that she feels like  
she's abandoned

from the people she thinks she still can't open up her  
heart to?

Would you be kind enough to know that they've got  
something to say,

but everything inside pulls them down to the point  
where they can't sing out to the world

chiisaii koro otona wa minna tadashii iki mono ga to  
omotteta

itsuka wa jibun mo sonna fuu ni nareru to omotteta

yume de mita ka koukei wa utsukushiku kagayaiteta

dakedo tottemo kanashikute namida kora e te ta

watashi ni wa kotoba to sukoshi no koodo ga are ba

kokoro ga atatakaku natte ku

I just wanna be the free and natural me

I just want you to feel the same as me

dream ooteku uchi ni kimi kara tozakatte itta

manzoku shita ku wa nai motto ue todoku you ni

aru kitsudzuketai kara

I reach out for you

feeling the beat in your hand

I just wanna be free

Can you strike up a conversation

with a stranger on the street and make a connection?

Stop them from jumping off the platform!  
Don't use up all you've got,  
if you really wanna stay here long enough to be saved

What if her life is on air every weekdays, from 10 to  
11:35  
Would you care enough to watch it with a handful of  
popcorn in your hand?  
Would it entertain you enough for the day?
