I said, I love you for the first time of my life
And there was truth in me
Something greater is controlling me all the time
But there's no fear in me

So won't you hold me tighter?
So won't you be with me still?
I've been feeling fed up
with waiting for something clear,
And now that something is here

Oh I think I'm living a dream come true
One more kiss and I will fall through
All I ever longed for was you
I think I'm living a dream come true
One more kiss and I will fall through
All I ever longed for was you

So won't you hold my hand?
See the stars, they're shining, shining
Close your eyes and cry,
'till I say I love you

Aisu beki mono wa genzai de,
Kako no mono ja nai
Sukui wo mitsuke daseru no ka?
Kono ooki na chikara ni
Makasete deatta atarashii asa
Mou tebanasa nai de ite
Nakase nai de ite

Oh I think I'm living a dream come true
One more kiss and I will fall thru
All I ever longed for was you
Mihate nai mirai ni akarui
Ashita wo sagashi daseru sa

So won't you hold my hand?
See the stars, they're shining, shining
Close your eyes and cry,
'till I say I love you

Yukkuri ajiwau koto nado wasurete
Sutte wa haiteku soshite kanashimu
Kimi ni aitai

I think Iâ€™m living a dream come true,
one more kiss and I will fall thru

Oh I think Iâ€™m living a dream come true
One more kiss and I will fall thru
All I ever longed for was you
Mihate nai mirai wo kimi to nara
Zutto mamotte yukitai

So wonâ€™t you hold my hand?
See the stars, theyâ€™re shining, shining
Close your eyes and cry,
â€™till I say I love you
