"Burn In Me"

There is no time it seems
We're rushing to meet everybody's needs
There is no time to breathe
How quickly I can fill my life
With less important things

[Chorus]

I'm hungry and I'm empty
'Til your words reach deep inside
I humbly drink from waters deep
That feel me with life
Your teachings have the power that I seek
And the spirit of the things I read
Burns in me

Sometimes we think we're strong
Pushing on through days that seem so long
I try to carry on
But without the daily bread of life
I'm barely hanging on
'Cause

[Chorus]

I pray I ponder I'm thirsting
I read and know that you hear me

[Chorus]
