"Every Breath"

His hands are
Catching your tears
And even without any words
He hears
You feel so far
But he's right where you are
And He knows

[Chorus]
Every breath
Every pain
He knows your heart and
He knows your name
The giver of life
Light in your soul
Oh come home
Come rest
Let Him bless
Your every breath

Silence your voice and be still
And even without any words
You will feel
You think you're far
But he lives in your heart
And he knows

[Chorus]

There's nowhere you can go
That He hasn't been below

[Chorus]
