Like the clouds
Floating past us in the skies
So will be our lives
We came here to be tried
We came here to grow
But we will come and go

[Chorus:]
He waits for my return
He waits for His child
To come home
I want to fight in this life
For Him
When I go home again
I want to be
Fit for His kingdom

(More fit to see His face)
(More worthy of His name)

He placed the sword of truth
In my hands
He trusted me to stand
I feel him whisper like the wind
The value of my life
I am noble in His eyes

[Chorus]

(More fit to see His face)
(More worthy of His name)
