Once upon a time  
A child was born into this life  
Heaven could be seen in her eyes  
There was no doubt she was divine  
And if you are still you will feel the truth  
That the princess in this wondrous story is you

[Chorus:]  
It's your time  
It's your destiny to shine  
So arise  
Be true to the royal  
That's inside of you  
Don't settle for the story that  
The world would have you write  
You were born to reach eternal life  
Let faith fill every chapter  
Let the Savior lead you to  
Happily ever after

Sometimes in your life  
The world will cast a spell  
And try to make your conscience fall asleep  
And forget the woman God would have you be  
But if you are still you will understand  
The noble role you play in his plan

[Chorus]  
It's your time  
It's your destiny to shine  
So arise  
Be true to the royal  
That's inside of you  
Don't settle for the story that  
The world would have you write  
You were born to reach eternal life  
Let faith fill every chapter  
Let the Savior lead you to  
Happily ever after

[Bridge:]

When the forests fills with darkness  
And wolves seek your soul  
Just know  
You are simply in the place between  
Your once upon a time and your triumph in the end

[Chorus]

It's your time  
It's your destiny to shine  
So arise  
Be true to the royal  
That's inside of you  
Don't settle for the story that  
The world would have you write  
You were born to reach eternal life  
Let faith fill every chapter  
Let the Savior lead you to  
Happily ever after
