Through the rain  
Through the fog  
Your light reaches to the lost  
You are a believer  
Built on the one sure rock  
Full of the flame of God  
In your life

[Chorus:]

You stand tall above the seas  
Spreading light for all to see  
There are so many who can see your life  
So many searching that will see you shine  
Your example steers them to Christ  
Like a lighthouse in the night

Full of hope  
Full of peace  
How bright your faithfulness beams  
You make the way clearer  
Leading souls home again  
You are reminding men  
Of the way

[Chorus]

Through the rain and through the fog  
We're reaching out to all the lost  
Through the rain and through the fog  
We're reaching out to all the lost  
We are disciples of Christ  
And He is our light

We stand tall above the seas  
Spreading light for all to see  
There are so many who can see our lives  
So many searching that will see us shine  
May our examples steer them to Christ  
Like a light house in the night
