I have felt the spirit of this work
Like a fire burning in me
I know that Joseph restored God's church
And it's rolling forth 'cross the earth
I feel the truth like a fire burning in me

Ahh...
Blessed to open the last dispensation.
Ahh...

The spirit of God like a fire is burning
The later day glory begins to come forth
The visions and blessings of old are returning
And angels are coming to visit the earth

We'll call in our solemn assemblies in spirit,
To spread forth the kingdom of heaven abroad
That we through our faith may begin to inherit
The visions and blessings and glories of god

I have felt the spirit of this work
Like a fire burning in me
I know that Joseph restored God's church
And it's rolling forth 'cross the earth
I feel the truth like a fire burning in me
