The night is dark
The world is shifting
Everything is so unsure
But the stars above
Are always constant
Reminding us of who we are
We were meant for higher things
And God wants us to be

[Chorus:]
Like the stars
Steadfast and unchanging
Immovable and unwavering
A strong and holy light
A sure and steady guide
When all the world is falling apart
You want us to close to where you are
Like the stars

So burn in me
True and steady
Give me strength to shine
Use my life
To light the darkness
Leading those who fall behind
It's your design for me
And I'll give everything to be

We will shine our light
We will shine our light

[Chorus]

[Choir Repeats Chorus]
