We believe and we understand
This great plan we are living
We will rise and we will stand
We can feel your love burning
Within us
And we will be

[Chorus:]
Steadfast in you
Steady and true
Abounding in the good works
That you sent us here to do
Like a million stars
Lighting up the night
We are your youth
Ever strong
Ever true
Ever steadfast in you

We will be true to you
Fighting with the sword of truth
We set our sights on eternity
'Til that day when we meet you
In your glory
We will be

[Chorus]

Like a mighty army
Moves the church of God
Steadfast we are treading
Where the saints have trod

[Chorus]
