We are daughters of God
With vision of who we are
And the love of the Savior in our hearts

We are sons of a King (We prepared for this day)
Heirs to our Father's throne (For ages we grew in light)
We are true to the priesthood that we hold
(And we'll continue to choose all that is right)

We live in perilous times
But with prophets here to guide us
With the Spirit inside us
With angels walking beside us

[Chorus:]
We will take the shield of faith
We'll withstand the evils
Of these final days
We are fearless, we are brave
We'll defend our Father's name
At all times
In all things
In all places
We will be strong and courageous

We will not be afraid
To walk in the Savior's way
And prepare for the day when He will reign

We're calling all of the earth
To return our lives to virtue
To be faithful in all we do
To join the great cause of truth

[Chorus:]
We will take the shield of faith
We'll withstand the evils
Of these final days
We are fearless, we are brave
We'll defend our Father's name
At all times (we are brave)

In all things (we are strong)
In all places
We will be strong and courageous
