We will all have times
When the plains seem unending
And the rocky ridges are
Testing our strength
Times when we can't feel our feet
When we've lost our way
And we are weak
And we need

[Chorus]

The arms of the rescuer
Where grief is swallowed up in His love
In the arms of the rescuer
Where darkness has no victory over us
We're lifted up
To be enough
In the arms of the rescuer

We will all have days
When we feel out of chances
When we've wrecked our cart
And we've failed again
But His love for us is without end
There's nothing we do
That He can't mend
Again

[Chorus]

I know that my Redeemer lives
What comfort this sweet sentence gives
He lives - He lives who once was dead
He lives
He lives

[Chorus]
