You look around you
And you wonder if you'll ever measure up
In this world it seems you may never be enough
Don't let anyone convince you that it's true
So much beauty lives inside of you
And you are enough
Just look up

[Chorus]
Remember you are greatest
When you walk with God
When His light is in your eyes
You are truly strong
You don't have to prove your beauty
In the eyes of men
You are divine within
You were sent here to become like Him

When you're uncertain
Of the place you hold and who you are inside
He will share with you your part in His design
Seek for His meekness
Seek to emulate His life
And you will feel Him always by your side
You have His love
Just look up

[Chorus]

Holiness, love, good works, mercy
To be like Him
Charity, hope, truth, and wisdom
To be like Him

[Chorus]
