Darkness rages now
More than it ever has before
But our faith is sure
We are standing tall
We are standing strong
We can clearly see between
Right and wrong

[Chorus]

We believe in being honest
We believe in being true
Chaste and benevolent
Doing good to all men
We believe all things
We hope all things
We seek the virtuous
All that is praiseworthy
We're standing sure
We believe

We are not deceived
By the forces that fight against what's right
Our trust is in Christ
He leads us to joy
He leads us to light
He leads us to all good things
In this life

[Chorus]

We believe in being honest
We believe in being true
Chaste and benevolent
Doing good to all men
We believe all things
We hope all things
We seek the virtuous
All that is praiseworthy
We're standing sure
We believe

Our mighty God has given us

So much good to find
There's just no room
For darkness in our lives

[Chorus]

We believe in being honest
We believe in being true
Chaste and benevolent
Doing good to all men
We believe all things
We hope all things
We seek the virtuous
All that is praiseworthy
We're standing sure
We believe
