Uptown baby  
Ah put your hands up put your hands up  
Every body let me see you put your hands up  
Put your hands up put your hands up  
Everybody let me see you put your hands up  
Oh My god  
Ah put your hands up  
Everybody Let me see put your hands up  
Put your hands up  
Throw em up ah  
Every body let me see you put em up  
C'mon c'mon

Pretty lady you so feminine  
My adrenaline  
Be racin, You be tastin like an MnM  
You melt in my mouth and not in my hands  
So I'm a put a rock on your hand  
I'm playing to be swimming in  
Your ocean and I'm hoping  
We can get it in  
Cause your pretty skin is vanilla mixed with cinnamon  
But then again we might argue and fight  
But I want you to be my wife  
It'll be all right aight

I Just Want Chu Close  
Where You Can Stay Forever  
You Can Be Sure  
That It Will Only Get Better

[Hook:]  
You And Me Together Through The Days And Nights  
I Don't Worry Cause  
Everything Is Gonna Be Alright  
People Keep Talking  
They Can Say What They Like \_let em talk let em talk)  
But All I Know Is That Everything

[Chorus:]  
No One

No One  
No One  
Can Get In The Way Of What I Feeling  
No One  
No One  
No One  
Can Get In The Way Of What I Feel For You  
You You  
Get In The Way Of What I Feel For U

When The Rain Is Pourin Down...  
And My Heart Is Hurting  
You Will Always Be Around  
This I Know For Certain  
(oh my god)

[Hook:]  
You And Me Together (you and me) Through The Days  
And Nights  
I Don't Worry Cause (why)  
Everything Is Gonna Be Alright (yeah yeah)  
People Keep Talking  
They Can Say What They Like (let em talk let em talk)  
But All I Know Is That Everything Is Gonna Be  
Alright

[Cassidy:]  
Cutie you my real wife  
This ain't a movie this real life  
They could say what they feel like  
But things still right  
I feel like they can never ever break us up  
And if I'm dreamin I pray they can never wake us up  
They hate on us trying to ruin our relationship  
They make me sick,  
But they can never make us split  
As long as we conversate and straight talk together  
We'll be together forever  
Like salt and pepper

I Know  
Some People Search The World  
To Find  
Something Like What We Have  
I Know  
People Will Try Try To Divide Something So Real  
So Till The End Of Time  
I'm Telling You their ain't no one

No One  
No One

No One  
Can Get In The Way Of What I Feeling  
(you want the remix)  
[x2]

(Uptown baby

Ah put your hands up  
Everybody Let me see put your hands up  
Put your hands up

Every body let me see you put em up
