ANGEL IN YOUR ARMS

Do you think I'm such a fool to believe everything you  
say is true  
That just goes to show  
That you really don't know

While you're out paintin' the town  
Do you think I'm home just sittin' around waitin' on you  
Now who's really the fool

When I first found out I hurt all over  
I felt so left out 'til I got to know her  
So I tried the way that she got over  
And I became just like her  
So don't be surprised to find

That the angel in your arms this morning  
Is gonna be the devil in someone else's arms tonight  
Yes, The angel in your arms this morning  
Is gonna be the devil in someone else's arms tonight

Why'd you slip around secretly  
If you were tired of loving me  
Why'd you keep holdin' on when love was already gone

The times you said you weren't feelin' well  
Did you think I couldn't tell you'd been with someone  
else  
You were only kiddin' yourself

When I first found out I hurt all over  
I felt so left out 'til I got to know her  
So I tried the way that she got over  
And I became just like her  
So don't be surprised to find

That the angel in your arms this morning  
Is gonna be the devil in someone else's arms tonight  
Yes the angel in your arms this morning  
Is gonna be the devil in someone else's arms tonight

Yes the angel in your arms this morning  
Is gonna be the devil in someone else's arms tonight  
The angel in your arms this morning  
Is gonna be the devil in someone else's arms tonight
