Not one of my kind of people though that's part of our
lives
Not one of the type of things that I like to do with my
time
And I don't see and don't believe he'll ever get it right
?really?
Not one of my kind of people

dont want group aggrovation he's always there on the
case
Love is not your vocation but like to get in the face
Of everybody here who looks you up a funny way ?
really?
Not one of my kind of people

Now don't you pretend that when you wake in the
morning
Your lying to yourself it will happen again
Repeated offender you should come with a warning
Its embarrassing for all of your friends.
