[Chorus:]

If you believe in forever,  
Then life is just a one-night stand.  
If there's a rock and roll heaven,  
Well you know they've got a hell of a band, band, band.  
Jimmy gave us rainbows,  
And Janis took a piece of our hearts,  
And Otis brought us all to the dock of a bay.  
Sing a song to light my fire,  
Remember Jim that way,  
They've all found another place, another place to play.

[Chorus]

Remember bad bad Leroy Brown,  
Hey Jimmy touched us with that song.  
Time won't change a friend we came to know.  
And Bobby gave us Mack the Knife,  
Well look out, he's back in town.  
They'll all be there together  
When they meet in one big show.

[Chorus]

There's a spotlight waiting  
No matter who you are  
Cuz everybody's got a song to sing,  
Everyone's a star  
(Everybody's got to be a star).

[Chorus, repeat and fade out]
