If you're a new band breaking be aware cause she  
won't be far behind  
But if you've got no airplay she won't care and you  
better move aside  
She'll be down south top ten in her mouth in the blink of  
an eye  
She'll be top draw on the backstage floor till the new  
band arrives

Ooh she's got standards but your call if your at twenty  
five  
Ooh she's got standards till you put the twinkle in her  
eye  
So you better cover up boy

If you're a new band breaking be aware cause she'll  
never leave your side

Cause if the n.m.e. say your so cool and they really like  
your style  
She'll be down south top ten in her mouth with the blink  
of an eye  
She'll be top draw on the backstage floor till the new  
band arrives

Ooh she's got standards but your call if your at twenty  
five  
Ooh she's got standards till you put the twinkle in her  
eye  
So you better cover up boy
