You can have her, I don't want her
She didn't love me anyway
She only wanted someone to play with
But all I wanted was a love to stay

The girl I loved, she up and left me
She ran away with my best friend
She comes home at night a-just one full hour
When daylight comes, she's a-gone again

You can have her, I don't want her
She didn't love me anyway
She only wanted someone to play with
But all I wanted was a love to stay

Life without love is mighty empty
Yeah but confession
Do ya know do ya know confession good for your soul
baby
I'd rather have love that I can cling to
Than I had the world and all of it's gold

You can have her, I don't want her
She didn't love me anyway
She only wanted someone to play with
But all I wanted was a love to stay

You can have her, I don't want her
[Fade] She didn't love me anyway...
