Hey - disincensive mind
Stop your dashin' kind!
Your spoken word put into effect!

It is hard to find
Supporting strength behind
An innocent filled with blame
Let me be!

Just tell me!
Why-
Would I need to tie
My heart to your broken
Wings to touch the sky?

Try -
To reach me on high
Without a word spoken
Cowards just don't fly!

Hey - stop to sadden my heart
Stop to take it apart
Must identify all I am

I got heaven 'side
Won't be classified
By your fucked up and
Unfounded blame
Let me be!

Just tell me!
Why-
Would I need to tie
My heart to your broken
Wings to touch the sky?
Try -
To reach me on high

Without a word spoken
Cowards just don't fly!

You're wearing down my heart
You're wearing down my heart

Let me go - to be
Let me go - set me free
Let me be - let me go!

The broken wings never fly!

Why -
Would I need to tie
My heart to your broken
Wings to touch the sky?

Try -
To reach me on high
Without a word spoken
Cowards just don't fly!
