Missing time -
No more sense - no centerline
Uptight and driven mad
Undulating my way

Pandemonium is raging in my head
I'm a victim of self-created brain defect
Insecurity is rising constantly -
Close to insanity

Lunatic dreams
They are hunting me - so it seems
Unsure 'bout what is real!
Try to cut them off straight away!

Pandemonium is raging in my head
I'm a victim of self-created brain defect
Insecurity is rising constantly -
Close to insanity!

No! - No line!
No centerline!
No no more centerline -
Missing time
No more sense, no more centerline
Uptight and driven mad
Undulated my way!

Pandemonium is raging in my head
I'm a victim of self-created brain defect
Insecurity is rising constantly -
Close to insanity
