Dee...
(He will)
Destroy...
(He is)
Destroyer!
(Drums&Guitar; come in HEAVY)

They woke up the beast,
Broke down the walls and released,
Himself---

They have awakened the beast,
And he's ready to feast...
On you---

(He was imprisoned,
Many years ago.
Now he's been awoken,
Time to grab your things,
And go---
Dee...
(Is alive)
Destroy...
(He will)
Destroyer!----)

(SOLO)

(He was imprisoned,
Many years ago.
Now he's been awoken,
Time to grab your things,
And go---
Dee...
(Is alive)
Destroy...
(He will)
Destroyer!)

It would be best,
If you played dead.

That way he might...
Leave behind your head.

You awoke him,
(Destroyer)
So don't forget,
(Destroyer)
What you've done,
(Destroyer)
And don't forget,
(Destroyer)
What you've BECOME!----

A Destroyer-----
A Destroyer-----
You have become,
Destroyed----

(SOLO #2)

(He was imprisoned,
Many years ago.
Now he's been awoken,
Time to grab your things,
And go---
Dee...
(Is alive)
Destroy...
(He will)
Destroy us!)

You can't be destroyed!
Destroyer!
