You got a fast car.  
I want to take it to anywhere.  
Baby We'll make a deal.  
Maybe together we could get somewhere.  
Anyplace is better, Starting from Zero  
Got nothing to loose.  
Baby we'll make something.  
Me myself I got nothing to prove.

(Course)

I remember we were driven.  
Driving your car.  
Speed so fast, it felt like I was drunk.  
City lights lie out before us.  
And your arm felt nice wrapped around my shoulder.  
And I had a feeling that I belonged  
I had a feeling I could be someone....be someone.

So you got a fast car.  
I got a job that could pay all our bills.  
You stay out late drinking at the bars.  
See more your friends then you do your kids.  
I always hope for better.  
Thought maybe together you and me find.  
If you got no place, we ain't going nowhere.  
We'll just take a fast car and keep on driven.  
Ohhhh
