Ä±ok aÄŸÄ±gÄ±n var dÄ±yorlar yalan de yeter bana [they tell me you have many lovers after you,
but tell me it's all a lie and that's enough for me]

bÄ±r sevda sozu fÄ±sÄ±da hazÄ±rÄ±m Ä±nanmaya [at the whispering of one love word i am
ready to believe]

gÄŸnÄ¼l hÄ±rsÄ±zÄ± dÄ±yorlar Ä±nkar et yeter bana [they say you're a thief of hearts, deny it and
that is enough for me]

gozlerÄ±ndekÄ± cevaba korkuyorum bakmaya [i am afraid to see the answer in your eyes]
geceler uzun ve yanÄ±z yoksun sabaha kadar [the nights are long and alone, you're not here, till
the morning]

dusumde bÄ±le gunahkarsÄ±n bunu kÄ±m hayra yorar [in my thoughts even, you are a sinner, who
will intepret this dream/omen?]

ardÄ±mdan delÄ± dÄ±yorlar belkÄ±de yalan degÄ±l [behind my back they say i'm crazy, and
maybe it's not a lie]

yanÄ±mda bÄ±le uzaksÄ±n nasÄ±l dayansÄ±n gonul... [even when you're next to me you're far
away, how will this heart last?]

Ä±ok ahlar aldÄ± diyorlar inkar et yeter bana [she caused many tears/she was cursed by those who
she was cruel to, but deny it and that's enough for me]

gÄŸzlerindeki cevaba korkuyorum bakmaya [i am afraid to see the answer in your eyes]
geceler uzun ve yalnÄ±z yoksun sabaha kadar...

dÄ¼ÄŸÄ¼mde bile gÄ¼nahkarsÄ±n bunu kim hayra yorar

ardÄ±mdan deli diyorlar beklide yalan deÄŸil

yanÄ±mda bile uzaksÄ±n nasÄ±l dayansÄ±n bu gÄŸnÄ¼l

yanÄ±mda bile uzaksÄ±n nasÄ±l dayansÄ±n bu gÄŸnÄ¼l
