Girl, you got me to fall in love with you  
Though I'm not free to fall in love with you

Oh, baby  
Why did I have to get so hung on you?  
Tell me  
Why did I have to get so hung on you?

Believe me, baby  
I didn't plan it this way  
I thought I'd see you one night and  
Forget you the next day

You're not the girl that I belong to  
And even though I know it's wrong to  
There's a little place where we can go  
Where we won't run into a soul we know

Whoa, baby, baby  
Well I wish I could get you out of my heart  
Then I could also get you out of my life

Baby  
Why did I have to get so hung on you?  
Tell me  
Why did I have to get so hung on you?

Sure I could tell you it's over and then  
One day I'd call you and beg you to see me again  
This is a fine mess I got myself in  
And let me tell you baby, you ain't helpin'  
You know the changes that I'm goin' through  
And still you look at me the way you do  
Oh, oh baby

'Cause you got me to fall in love with you  
Though I'm not free to fall in love with you

Baby, baby  
Why did I have to get so hung on you?  
I want to know  
Why? Why? Why?

Ohh I'm gonna tell all the time  
Tell me  
Why? Why? Why?
