Leather Skin

Lately it's what I've been thinking about  
This alien girl from above  
We can share our love

I got it good for a woman  
She's something else  
She's not quite human(2x)

Venusian Queen  
You're so bright the sun gets mean  
I swear it's a dream  
But i pinch myself and your still green

I got it good for a woman  
She's something else  
She's not quite human

I'm head over heels for this space case  
Something rhymes and no one fades

I got it good for a woman  
She's something else  
She's not quite human

My head's spinning  
Around the world and back again(2x)

I got it good for a woman  
She's something else  
She's not quite human(2x)
