We should have waited  
We should have waited

Chorus:  
We love to break the season  
And you're the reason  
We use to shake the beehive  
To relax and rewind

See why you cry, see why you save  
Your regimen is gonna die  
See what you know  
Let's see what you throw  
Your regimen

Waiting? So  
Waiting? I know

Chorus

See why you came, see why you go  
Your regiment is oh too slow  
See why you cry, get sting from the hive  
Your regimen

Waiting? So  
Waiting? I know

Chorus

See! And we don't mind  
Are you sane? Are you ashamed?

Chorus
