Proud, proud is to hear it all yeah yeah
Proud ah proud, proud is to watch us fall yeah yeah
Make a wish, make a succotash wish
You live the pompous life
Throw kisses all the time
Make wishes don't break mine

Cold fire use to inspire all not now
These are tired, maybe they'll find their nitch
Or resort to wish

Make a wish, make a succotash wish
You live the pompous life
Throw kisses all the time
Make wishes don't break mine

Chorus:
Don't be low, you better watch the road
Don't be low, you got the strength and the balls

Chimes use to break my wish
Back won't you bring him back? Not now

Chorus

Chimes use to break my wish
