Jean speaks French, not a word is said
For those who set sail on her water bed
It's a fetish cruise, our pleasure to
Hmm do business with you

Do ya feel like takin' 'em down?
Do ya feel like takin' 'em down?

Now love and hope, trust and faith
After prayer it's back to Alice's place
Peaches and cream, angel food
If you can't get up then just get rude

Do ya feel like takin' 'em down?
Do ya feel like takin' 'em down?
Do ya feel like takin' 'em down?
Do ya feel like takin' 'em down?

Fight it all you want it's a love machine
Fight it all you want it's a love machine
Fight it all you want it's a love machine
Fight it all you want it's a love machine

Jean's well aware that time's no friend
Gravity's calling, the party will end
But until it does love's for lunch
Half the world blows and half the world sucks

Do ya feel like takin' 'em down?
Do ya feel like takin' 'em down?
Do ya feel like takin' 'em down?
Do ya feel like takin' 'em down?

Fight it all you want it's a love machine
Fight it all you want it's a love machine
Fight it all you want it's a love machine
Fight it all you want it's a love machine

Fight it all you want it's a love machine
Fight it all you want it's a love machine
Fight it all you want it's a love machine
Fight it all you want it's a love machine
