She said "Richard leave it to the gods"  
Way back baby they lost the plot  
I ain't stupid  
Relying on cupid now

From my quiver  
An arrow for my bow  
Pull it really hard  
Let it really go  
I ain't stupid  
Relying on cupid now

King of kiss he done nothing for me yet  
Kisses his cross and genuflects  
I ain't stupid  
Relying on cupid now

The lord of love in his old cold castle  
Moats bone dry, silly old rascal  
I ain't stupid  
Relying on cupid now

A slip of the tongue, she's so soothing  
I could be arrested for the way I'm moving  
Lipstick on, she puts her lipstick on  
A flick of the wrist, slowly blinking  
I could be arrested for the way I'm thinking(chorus???)  
Lipstick on, she puts her lipstick on

Come on, come on  
Hammer nails in wood  
Brick by brick we can make it real good  
I ain't stupid  
Relying on cupid now

Come on, come on  
Give me love

Give me trust  
Believe it or not  
I love the serious stuff  
I ain't stupid

Relying on cupid now

A slip of the tongue, she's so soothing  
I could be arrested for the way I'm moving  
Lipstick on, she puts her lipstick on  
A flick of the wrist, slowly blinking  
I could be arrested for the way I'm thinking (chorus???)  
Lipstick on, she puts her lipstick on

Cos I could  
I did what I did  
Take it to the girl  
Take it to the bridge  
I ain't stupid  
Relying on cupid now

Because I could  
I hit where I hit  
Straight to the heart  
Between the lips  
I ain't stupid  
Relying on cupid now

A slip of the tongue, she's so soothing  
I could be arrested for the way I'm moving  
Lipstick on, she puts her lipstick on  
A flick of the wrist, slowly blinking  
I could be arrested for the way I'm thinking  
Lipstick on, she puts her lipstick on
