There's no truth in the rumor
That's all I want to say
There's no room for maneuver
So make sure that it stays
A love for all seasons

October was a drag, damn it all
You and I were fools
Overcast and sad winter blues
Allowing us to cool
When it's clear I know all I want to do
Resort to make believe

There's no truth in the rumor
That's all I want to say
There's no room for maneuver
So make sure that it stays
A love for all seasons

January comes, steely blue
But nothing seems to rhyme
All the noise of spring, passion wakes
'Cos we hear summertime

But when it's clear I know all I want to do
Resort to make believe
There's no truth in the rumor
That's all I want to say
There's no room for maneuver
So make sure that it stays
A love for all seasons

October comes around as it does
But this time we're prepared
You and I can go to love land
There's a sunset to be shared
When it's clear I know all I want to do
Resort to make believe
There's no truth in the rumor
That's all I want to say
There's no room for maneuver
So make sure that it stays

There's no truth in the rumor
That's all I want to say
There's no room for maneuver
So make sure that it stays
A love for all seasons
Yeah a love for all seasons
I say

January, February, March
April, May, June, July
I'll love you
August, September
October, November
I'll love you, yes I will

[Incomprehensible]
[Incomprehensible]
And into 93 I'll love you
And both of us gettin' higher
Oh yeah
Oh lets take the phone off the hook
Put it at the wall
Draw the curtains girl
Let's turn off the gas on that fire
And lay yourself flat on the rug
