Turn it up it's my favourite song ÆfÂçâ,¬" sha laa laa  
Turn it up and we'll all sing along ÆfÂçâ,¬" sha laa laa  
I won't be the first, I won't be the last  
I'm a spark in the dark and I'm rising  
We're having a go, we're having a blast  
We are coming alive

We are going all the way and we play on  
And we play on  
We are having it away and the weekend starts today  
Play on  
Turn it up again and again - sha laa laa  
Turn it up to eleven and then ÆfÂçâ,¬" sha laa laa  
I won't be the first, I won't be the last  
I'm a spark in the dark and I'm rising.  
We're having a go, we're having a blast  
We are coming alive.
