I was built to be the best  
Number one and nothing less  
Leave me to my destiny  
I have waited patiently  
I have vision' oh I believe  
I know I can count on me

(chorus)

So stand up for the champions  
For the champions stand up  
Stand up stand up  
For the champions for the champions  
Stand up for the champions  
For the champions stand up  
Stand up stand up  
For the champions for the champions  
Stand up

Here we go it's getting close  
Now it's just who wants it most  
It's just like that's how it is  
Cause we have our strengths and weaknesses

Oh I have vision' oh can't you see

I'm on the move make way for me

(chorus)

So stand up for the champions  
For the champions stand up  
Stand up stand up  
For the champions for the champions  
Stand up for the champions  
For the champions stand up  
Stand up stand up  
For the champions for the champions  
Stand up

4x

And when I fall down  
I have to pick myself back up

So stand up stand up for the champions  
For the champions stand up  
Stand up stand up  
For the champions for the champions  
Stand up

4x  
Stand up stand up  
For the champions for the champions

Stand up
