Traffic jams, Concorde drones
TV's and radio's drown me out
You won't change slamming doors
Temper, temper that tongue of yours drown me out

I've told you once when it comes to love
I'm like a swan, I only love once
I've told you once push comes to shove
I'm like a swan
I only love, only love
Only love once

Dumbbells crash, babies cry
A thousand voices mostly lies drown me out
The underground marble arch
The deafening snap of breaking hearts drown me out

I've told you once when it comes to love
I'm like a swan, I only love once
I've told you once push comes to shove
I'm like a swan
I only love, only love
Only love once

Barking dogs
The lonely roam
The great unlaid making their way home
Drown me out

I've told you once when it comes to love
I'm like a swan, I only love once
I've told you once push comes to shove
I'm like a swan, I only love once

I've told you once when it comes to love
I'm like a swan, I only love once
I've told you once push comes to shove
I'm like a swan
I only love, only love
Only love once
